Mark Herrmann, a partner at Jones Day in Chicago, will talk about his book “The Curmudgeon’s Guide to Practicing Law.” The book is described as “offer[ing] practical and honest, if blunt, advice for surviving and thriving in a law firm. He tells you what you need to know about billing, managing your assistant, drafting internal memos, dealing with clients and building your law practice. Find out what drives law partners crazy, what will impress them and what ten mistakes you should avoid. Concise, humorous and full of valuable (but curmudgeonly) insight, this is a must-read for every lawyer and law student.”
